

**APPLICANT'S STATEMENT OF INTEREST (SOI)  
for Master of Health Management (MHM) Program**

Applying to:             Part-time     Full-time

Name of Applicant:

Current Profession:

Current Job Title:

---

Please address the following questions:

- a) What are your reasons for applying to the Master of Health Management Program?
  - Within your response, we are interested in learning about why you are selecting our program as compared to other academic options.
  - As well, please include why you are selecting the Full-time or Part-time option.
- b) How does this program match with your career and personal goals?
- c) Please outline how you expect to manage your work schedule alongside being in the MHM Program. Do you expect to continue working while you complete the MHM Program (e.g., full-time, part-time, consultant, salaried position)?
- d) What experiences, skills, qualities do you bring to this program and its' collaborative learning environment?

*Note: The University considers full-time students to be those that have their studies as their priority. Full-time students who are participating in paid employment should work no more than an average of 10 hours a week to a maximum of 505 hours in the academic year.*

*Formatting Criteria: Maximum submission is two page, double spaced, with typed font no smaller than 10 Arial with 2.5cm (1 inch) margins.*
