OPEN HOUSE

A Demystifying Medicine Seminar made by
Health Sciences 4DM3 students - Fall semester 2015

DATE: Monday, November 30, 2015

In this Demystifying Medicine and Knowledge Translation event 4DM3 students will present examples of their work during the fall semester 2015. Each group will showcase and discuss how they created short videos aimed to enhance the understanding of various complex medical and scientific topics. This event is open to all and refreshments will be served.
